UMCOR Emergency Kits to Assist in Recovery from Disasters

The following resources are used in places where people have suffered losses due to natural or human made disasters. Please follow the directions exactly. Include all items; do not add items. Extra gifts, though given with the best of intentions, render a kit unusable and must be removed. Note: All items sent must be new! **Important:** Because sometimes there are restrictions governing the contents of kits sent overseas, please do not include any religious, political or patriotic notes or emblems in any kit. Assembled kits may be dropped off at Wesley Church.
