

You and your spouse need more time together and Wesley wants to help you make that happen. This year we will offer six date nights spread out over the course of the year. Hosted by Adam and Michelle Hilderbrandt, The Art of Marriage series includes videos that brings together some of the most respected and influential pastors and experts on marriage and family all in one hour segments. It brings a fresh approach by weaving together engaging stories, real-life testimonies, man-on-the-street interviews, humorous stories and an engaging workbook to fully convey God's design for marriage. The workbook provides food for thought, date night ideas and projects to help apply the principles taught during each session.

Session One for the Art of Marriage is Friday, January 27, at 6:30-7:45 (light snacks provided). Childcare will be provided by reservation at the church but you might want to consider having your own sitter at home because couples are encouraged to have a night out after the session. The cost per couple is a one time \$40 for materials that will be used through out the year. There will be a total of 6 Art of Marriage nights. The workbook will be used for all six sessions and you may attend any or all that you wish. Registration required to reserve materials. Please contact joanne@wesleyumc.net or 706-869-0888 at least one week prior to session.
