Where the Money Goes

In 2009 a local army doctor was deployed to Afghanistan. Before he was deployed he decided to ask the youth he worked with to help collect coats for the people of Afghanistan. Afghanistan is a country with little economic opportunity. It is one of the 5 poorest countries in the world and has very little sustainable economic growth at present. The youth decided to have a 5K race to raise funds and awareness for their mission and with that the first annual Wesley5K was born. Money raised from the 5K as well as help from the non-profit organization Spirit of America helped send over 2000 coats to Afghanistan. The funds also helped make two more missions possible. The funds raised allowed the youth to buy 27 medical kits for midwives in Afghanistan and helped send over 600 baby blankets. The youth of Wesley fell in love with the children of Afghanistan and have decided to do another mission project. They have decided to collect book bags and school supplies to make school kits for the children of Afghanistan. Your participation in the Wesley 5K would allow the youth of Wesley to help buy and ship the supplies and bring their message of God's love to the people of Afghanistan.
